

### Liberty armchair (high back)

---

The sculptural forms of the 30's inspired the 'Liberty Collection'. The tubular and steel structures that have marked those years are combined with a new inspiration that emphasizes the antagonistic feeling of deprivation of liberty. This conjunction marks the alliance of a vintage style with modern sensibilities. The curvy and exaggerated shapes of the chair's arms symbolize the end of enclosed spaces which are transformed into open doors to freedom.

Materials: Hand-polished brass + anti-stain varnish, velvet cushions.

Height: 145cm | 57"  
Width: 112cm | 44,1"  
Depth: 94cm | 37"  
Weight: ~28kg | 61,7Lb

NOTE: All BESSA's pieces can be customized upon request.
